

SIMPLE STEPS FOR ONE-COAT PERFECT RESULTS

1 Choose *Sico Prestige*.

A true, one-coat hide*, stain blocking interior paint and primer, *Sico Prestige* provides an ultra-smooth, washable finish with advanced stain resistance in a single coat.

2 Choose true, one-coat colours.

Whether making a major colour change, or just looking to finish painting quickly, trust this collection and all 1,000+ colours to cover existing wall colours in a single coat. And with Colour Protect Technology™, colours won't fade away.

3 Use quality tools.

Quality rollers and brushes are key to ensuring great coverage, so take a pass on discount store or used applicators and tools.

For optimal results, use only brand new 10 mm rollers and quality brushes with nylon or polyester bristles.

4 Load rollers and brushes with sufficient paint.†

Don't skimp! Realize the potential of *Sico Prestige*, simply and smoothly, by following the recommended coverage (square footage).
